Only a few miles from Sunnycott are the Newtown and Yar estuaries renowned for their wading and migratory birds. The Island is a paradise for those who love the outdoors. Walkers, cyclists and horse-riders can take advantage of over 500 miles of footpaths, bridleways and cyclepaths that will take you off the beaten track and through stunning countryside that will take your breath away.

Five minutes drive from Sunnycott is Gurnard seafront, which is an ideal spot to enjoy the myriad of boats and dinghies that grace the Solent. It is an easy stroll along the flat esplanade into Cowes, the home of yacht racing. With just about the best sunshine figures for the UK, the Island's beaches are a very pleasant way to spend a day. Gurnard and Thorness beaches are within walking distance and the sandy beaches of the West Wight at Totland and Colwell only about a twenty minute drive. A few miles further is the spectacular Back of the Wight, the name given to the Island's south west coast with its unspoilt downs that meet with the sea. Here you will find many of the best beaches, as well as interesting fossils if you know where to look.

A holiday of peaceful tranquility awaits you with beautiful countryside away from it all, where you can leave the hustle and bustle of every day life behind

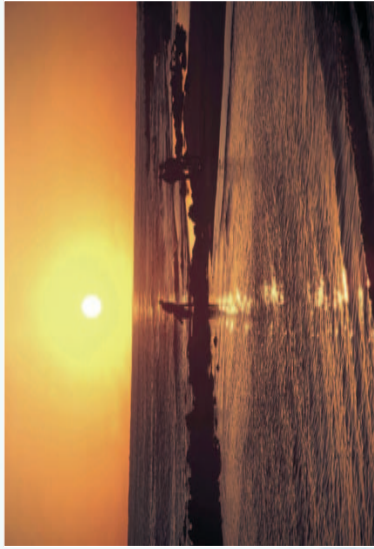

The Isle of Wight also has a wide range of tourist attractions - theme parks - dinosaur museum - waxworks - nautical museums - and some of the most interesting and important historic houses in the country including castles at Carisbrooke and Yarmouth. Osborne House was Queen Victoria's famous summer retreat, what higher recommendation can we give.

Many of our guests bring their dog with them and there are lots of doggy walks that lead direct from Sunnycott Park through woodland and fields down to the beach. Parkhurst Forest is only a five minute drive away.

The Caravans

All our caravans are fully equipped including shower, flush toilet, cooker, microwave, fridge, crockery, cutlery, cooking utensils, toaster, colour TV, duvets and pillows.

Bed linen, towels and tea towels are not included, however bed linen can be hired if required.

The Park

We have a laundry room with washing machine, tumble dryer, iron and ironing board.

A grocery pack can be ordered for your arrival and local produce such as milk and eggs are readily available.

Parking - each caravan has its own parking place next to it, there is also a separate car park for additional parking for extra cars and visitors.

Pets

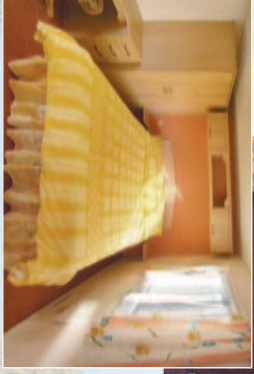

Dogs need holidays too, so we are delighted if you bring your dog with you but only one dog per caravan please. Dogs must never be left unattended in caravans and we do ask that they are kept on a lead at all times whilst in the Park.

Arrivals/departures

Your caravan will be ready for you at 15.00 on the day of arrival and should be vacated by 10.00 on the day of departure. All our caravans are cleaned to a very high standard, and we would ask that they are cared for and left as you would your own home.

Ferries

It is essential to book ferry crossings well in advance, particularly during busy periods.

Sunnycott Caravan Park is set in rolling countryside one a half miles west of Cowes, in the hamlet of Gurnard. The Park overlooks the Solent and many caravans have views across the water to the mainland. It all adds up to a scene of peace and rural tranquility. We don't think on site amusements can ever compete with all that the Island has to offer - so we don't even try. We just provide superbly appointed, luxury caravans in a picturesque setting that provide the perfect base from which to enjoy the Island's natural beauty and many tourist attractions.

Welcome to Sunnycott
